

We are looking for:
SSS Wood Technician Apprentice
Woodworking technical department

1. About Us

Veragouth e Xilema is the current definition of a company that has been a leading player in Ticino for almost a century in the carpentry and building carpentry sector. Our passion for wood and investments oriented on technological innovation allow us to offer a global turnkey service.

1.1 Who we are looking for

Veragouth and Xilema is looking for an **apprentice wood technician** specializing in interior design. Ready to join our dynamic and motivated technical department. We are looking for a passionate young person who wants to grow and gain experience in this field.

1.2 What we expect from you

Your duties, in detail:

- Develop and create a library of standard details
 - Develop execution details
 - Implement ERP software (Triviso)
 - Improve business processes
 - Improve the internal CAD-CAM system (IMOS)
-

2. We would really like to meet you if

- You are in training as a wood technician, carpenter or interior designer
- You have the know-how of the woodworking world
- You have practical experience in this field
- You have a strong interest in information technology

Excellent communication skills, knowledge of Italian or German, accuracy, organizational autonomy and strong results orientation complete the profile.

2.1 What we offer

- Opportunity to work together with already trained wood technicians
- Support for professional development
- Challenging environment, with assemblies in Switzerland and Europe
- Collaboration with international architectural firms

If you recognize yourself and can't wait to get started, apply now and don't miss your chance to join our team: send us your application at: job@veragouthxilema.com
