

We are looking for:
Wood Construction Engineer
Carpentry Engineering Department

1. Who we are

Veragouth e Xilema is the current definition of a company that has been a leading player in Ticino for almost a century in the field of carpentry and building carpentry. The passion for wood and investments oriented on innovation technology allow us to offer a comprehensive turnkey service.

1.1 Who we are looking for

The **timber construction engineer** will join the engineering department team, preferably in the field of prefabrication. He/she has extensive knowledge and experience in the field and most importantly a desire to grow in a proactive and ambitious team.

1.2 What we expect from you

You will be part of a great team of architects, engineers, and technicians in the industry. With initiative skills, you will. You will take responsibility for complex project activities. Effectiveness in interpersonal relationships and the ability to manage client relationships will ensure successful and authoritative completion of work.

Your duties will cover in detail:

- Design and sizing of prefabricated wood buildings (timber frame, traditional, XLAM)
 - Development of detailed solutions
 - Order management
 - Development of production plans
 - Financial management
-

2. We would really like to get to know you if:

- You have practical experience in carpentry or construction
- You are familiar with wood prefabrication.

The profile is completed by excellent communication skills, knowledge of Italian and German, precision, autonomy organization and strong results orientation.

2.1 What we offer

- Challenging work environment
- Support for professional development
- Professionalism and quality of work, certified by Minergie
- Challenging environment, with installations in Switzerland and Europe
- Collaboration with international architectural firms
- 100% permanent contract

If you recognize yourself and can't wait to get started, apply now and don't miss your chance to join our team: send us your application at: job@veragouthxilema.com
